

Give the gift of **COURAGE** this year!

Whether from friend-to-friend or at the workplace, share the uplifting message of courage and its power to transform heart and spirit as a very special gift this holiday season.

Two great ways we can help you personalize your gift!

- * Graphically embed your company logo on the front cover (and express your appreciation on a page inserted and printed just for you inside!)
- * Allow the author to add a brief signed note inside that adds that 'extra touch.'

Email Sandra@SandraWalston.com for details!
